Parks and Recreation Department staff is legally required to report known or suspected instances of child abuse of a child under 18 to a child protective services agency, immediately by telephone and in a written report within 36 hours of receiving information concerning the incident.

#### **Code of Conduct & Participant Conduct**

In order to ensure the quality and enjoyment of parks and recreation programs and to promote a safe and positive atmosphere for the programs, all participants, staff, parents and persons involved with the programs (i.e. spectators, coaches, volunteers, etc.) shall abide by the following Code of Conduct, which shall apply to all participants in Parks and Recreation Programs:

No activities that unreasonably interfere with other participants' use of Parks and Recreation programs and facilities are allowed. These prohibited activities include, but are not limited to the following:

- Physical abuse or assault
- Verbal abuse
- Fighting or challenging to fight
- Making violent and threatening statements
- Engaging in or soliciting any sexual act

Program rules and regulations shall be observed at all times.

Please click HERE to view the entire Parks & Recreation Code Of Conduct.

Our staff utilizes positive reinforcement and a caring atmosphere to encourage good behavior. Staff will promote and model appropriate behavior with clear guidelines and expectations. Inappropriate behavior by a participant will be addressed in a sensitive manner, and the participant will be redirected towards proper behavior. If a behavior becomes so disruptive that it is unacceptable, the participant will be placed on a Behavioral Contract. The goal of this contract is not to remove your child from the program, but to change their behavior. However, if inappropriate behavior continues after the Behavioral Contract is in place, the participant may be asked to leave the program.

Below is an example of a typical day for participants at RAP. Please note: program schedules and activities change day-to-day and vary.

Please label your child's possessions with his/her name. Labeled items have the greatest chance of being retrieved in the event they are lost or misplaced.

Neither the School District nor Parks and Recreation allows students to bring candy, gum, animals, or electronic toys to school. The Parks and Recreation Department is not responsible for loss or damage to personal items. RAP staff is not allowed to hold or keep track of cell phones, jewelry, or other valuables belonging to students.

#### **Emergency Procedure**

City staff is trained and prepared for emergency situations. Staff will utilize the Emergency Medical System (EMS) 911 consistent with their training. During an emergency, staff will make every attempt to contact parents, guardians or listed emergency contacts. If emergency medical attention is required and we cannot reach a parent or guardian, your Permission to Authorize Treatment from the Registration Form will be utilized. This authorization is given pursuant to the provisions of section 6910 of the Family Code of California.

Each RAP site will have an evacuation plan and an alternative emergency location. The evacuation plan and alternative emergency location will be posted at each site. This plan may be implemented during a fire, natural disaster, or other emergency. Staff will contact and follow the direction of emergency personnel during an evacuation. Staff's role will be to protect and support the participants through this difficult time. The RAP staff will contact City Administration, parents and/or designated persons with information on your participant and how to be reunited. You may also contact the Youth Activities Office or the Parks and Recreation Office. The City uses KEYT-TV and local radio to relay information to the public.

This policy has been instituted to keep your children safe. Any authorized person will be asked for picture ID for the first week of the program, until staff becomes familiar with family members and/or authorized pick-ups.

To have an adult who is not listed on your child's "Authorized Pick-up", the parent and/or guardian of the child in question must provide a written note emailed to vsavelich@santabarbaraca.gov or RAP@santabarbaraca.gov. See "Authorized Pick-up/Emergency Contact" section of this document for instructions on submitting a request.
